

**2009 Wisconsin Act 96
Indoor Environmental Quality Management Plan
Annual Notice**

The Ladysmith School District would like to inform staff, students, parents, and the public of the district's indoor environmental quality (IEQ) management plan. The plan was initially developed in 2012 and is reviewed as necessary. The plan was developed as deemed appropriate for the district. Questions and concerns should be directed to Laura Stunkel, District Administrator.

Copies of the plan are available at the district office for a fee.
District office hours are 7:30 a.m. – 4:00 p.m.
